

Position Announcement

Position: Maintenance Mechanic

Date Officially Opened: 08-22-11

Starting Hourly Salary Range: \$17.03 to \$22.12 (DOQ)

Position Function

Under the supervision of the Maintenance Superintendent, performs the duties of a lead mechanic in the repair and preventative routine maintenance of all District Water Treatment and Wastewater Reclamation Plants, transmission and collection lines, other facilities and equipment.

Typical/Essential Duties

- 1) Maintains water treatment plants and transmission systems by performing repairs and maintenance on all equipment and facilities to include lighting, minor electrical, and building appurtenances.
- 2) Maintains wastewater reclamation plants and collection systems by performing repairs and maintenance on all equipment and facilities, to include lift stations.
- 3) Coordinates and oversees various vendor and contractor activities as they relate to repair and maintenance of facilities and equipment. Assists in the procurement and delivery of parts and materials needed to repair and maintain facilities and equipment.
- 4) Performs preventative fleet and equipment maintenance on vehicles and equipment.
- 5) Leads and instructs Maintenance Workers in the completion of tasks.
- 6) Performs other duties as assigned

Knowledge, Skills and Abilities

Required knowledge and experience is normally obtained through a combination of formal education and/or vocational training, plus 2 to 4 years of work related experience relating to the repair and maintenance of water and wastewater equipment and facilities. Other complex mechanical equipment/system experience may be substituted for water/wastewater experience. Specifically related technical training and/or certifications may substitute for up to two (2) years of work experience. Must be able to read, interpret and follow mechanical and technical manuals. Must have a valid Class A Commercial Driver's License, or the ability to obtain within 90 days of hire. Must be able to lead and instruct other maintenance personnel in the completion of tasks. Must be able to pass applicable pre-employment Drug Screen, Physical, Background and Credit Checks.

Applicants are required to complete and sign an employment application to be considered. For instructions on how to apply, the application process and an application, please visit www.utrwd.com. Position is considered "Open Until Filled."
